We therefore note that there is a formal agreement to the following:

**Security by way of: Lien HOH--GARY CADWALLADER HORWICH FARRELLY  
SOLICITOR --HOHO119  
Affidavit of Truth and Statement of Fact**

---

1. I, Baroness Yvonne of the House of Hobbs (being the undersigned), do solemnly swear, declare, and depose:
2. That I am competent to state the matters herein and that I do take oath and swear that the matters herein are accurate, correct, honest, and true as contained within this Affidavit of Truth and Statement of Fact.
3. That I am herein stating the truth, the whole truth, and nothing but the truth, and that these truths stand as fact until another can provide the material, physical, and tangible evidence and substance to the contrary.
4. That I fully and completely comprehend that before any charges can be brought, it must be first proved, by presenting the material, physical, and tangible evidence and substance to support the facts, that the charges are valid and have substance that can be shown to have a foundation in fact.
5. That I have first-hand knowledge of the facts stated herein.
6. That all the facts stated herein are accurate, correct, honest, and true, and are admissible as material evidence, and that if I am called upon as a witness, that I will testify to their veracity.
7. That the eternal, unchanged principals of truth are as follows:
  - a) All are equal and are free by natural decent.
  - b) Truth is factual and not subjective to belief, which is nothing of any material, physical, or tangible substance in fact.
  - c) An un-rebutted Affidavit stands as the truth and fact.
  - d) An un-rebutted Affidavit is the documented fact and truth on and for the record.
  - e) All matters must be expressed to be resolved.
  - f) He who does not rebut the Affidavit agrees to it by default.
  - g) He who does anything by another's hand is culpable for the actions of the other's hand.
  - h) A security by way of a lien is, first and foremost, an agreement between the parties, as there is no disagreement between the parties.
  - i) That he who stands as surety, by providing the security by way of a lien, stands in honour, as that surety is undertaken by agreement, without coercion, duress, or protest, and without the threat of harm, loss, or injury, and, as such, stands in honour for the harm, loss, or injury by their own hand.
8. That a security by way of a lien, which is a commercial process (including this Affidavit), is non-judicial and pre-judicial, and:
  - a. That no judge, court, government, or any agencies thereof, or any third parties whatsoever, can abrogate anyone's Affidavit of Truth and Statement of Fact, and;
  - b. That only a party affected by an Affidavit can speak and act for himself and is solely responsible for responding with his own Affidavit of Truth and Statement of Fact, which no one else can

do for him, where there is material, physical, evidence and substance in fact, which rebutted affidavit.

and tangible  
definitively is a firm foundation to rebut the

9. That these facts, which form the main body of this Affidavit of Truth and Statement of Fact, are as follows, and that the material, physical, and tangible evidence and substance to support these facts is provided as exhibits and material, physical, and tangible evidence and substance as a foundation of these facts.
10. It is now on and for the record and in perpetuity as of the 26 January 2023 that this is a formal agreement between MRS YVONNE HOBBS and MR GARY CADWALLADER IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State whereby MR GARY CADWALLADER IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has agreed to stand as a surety for a security by the way of a lien for restoration for the criminal offences of fraud and malfeasance in the office of Horwich Farrelly Limited Company/State.
11. It is now on and for the record and in perpetuity that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has never, at any time provided valid, presentable material evidence to support the claim that a Company/State may raise obligation, contract, agreement without the knowledge or wet ink signature of the other 'parties to the contract'.
12. It is now on and for the record and in perpetuity that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has never, at any time provided valid, presentable material evidence to support the claim that there is a Charge order number together with the account details and ledger entries that describe the goods or services supplied to raise a Charge order and that MRS YVONNE HOBBS has an obligation to pay without a wet ink signed contract between MRS YVONNE HOBBS and MR GARY CADWALLADER.
13. It is now on and for the record and in perpetuity that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has never, at any time provided valid, presentable material evidence to support the claim that there is a government and that MRS YVONNE HOBBS has an obligation to follow the Acts and Statutes without a wet ink signed contract showing the consents of the 64.1 million people on this land to include the wet ink signature of MRS YVONNE HOBBS. Without these agreements in material fact then there are no governed and there is no government. The one cannot exist in isolation of the other. Without which, there would be a complete state of tyranny where a private company can make any rule or legislative rule and the capability by way of an act of force, enforce that private company policy.
14. It is now on and for the record and in perpetuity that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has never, at any time provided valid, presentable material evidence to support the claim that MR GARY CADWALLADER (CLAIMANT) has exemption under the Bills of Exchange Act 1882 and that MRS YVONNE HOBBS has an obligation to pay MR GARY CADWALLADER (CLAIMANT) without a wet ink signed contract legally executed and with full disclosure between the contract parties. Without these agreements in material fact then there would be a complete state of tyranny where any private company can create any rule, policy or legislation and endow that corporation/state with the capability—by way of acts of force—to enforce that private corporate policy.
15. It is now on and for the record and in perpetuity that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has chosen to enter into a lasting and binding tacit agreement through acquiescence by not negating the facts presented in Exhibit (A), and MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has agreed to the criminal offences documented on and for the record in this correspondence, thus establishing a formal agreement between the parties—MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State and MRS YVONNE HOBBS—on and for the public record. Since there is no disagreement between the parties, this is a non-judicial matter by default.
16. It is now on and for the record and in perpetuity that all matters must be expressed to be resolved and MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State was offered an opportunity to resolve (see Exhibit (B) as material, physical, and tangible evidence and substance and a foundation to this fact). Since it is MRS YVONNE HOBBS who is the victim of these agreed criminal offences of MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State, then MRS YVONNE HOBBS has the right to redress and choose the remedy for these agreed criminal offences.
17. It can be noted here, for and on the record, that the remedy for the criminal offence of fraud is seven to ten years' incarceration, the latter where there are multiple instances of fraud. MRS YVONNE HOBBS is under no legal or statutory obligation to observe and act upon the State policy regarding this matter and would consider that this extensive term of incarceration would be an insurmountable encumbrance on the public purse. For these reasons, it is decided by MRS YVONNE HOBBS to offer alternative remedy by way of a charge.
18. A second option was also proposed, which is by standing as a surety and, therefore, providing a security by way of a lien, allowing MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State to regain his honour without any cause for distress to MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State (see Exhibit (B)).
19. It is important to note here on and for the record that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has chosen by his actions not to resolve his debt by way of a commercial instrument or personal cheque. It is also important to state here on and for the record that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has not communicated by any means his reluctance or objection to stand as surety and provide security by way of a lien on the estate and future earnings of MR GARY

CADWALLADER (CLAIMANT) IN THE  
Officer for Horwich Farrelly Limited  
generations of MR GARY CADWALLADER

POSITION OF  
Company/State extended to the future  
(CLAIMANT) IN THE POSITION OF Officer for

Horwich Farrelly Limited Company/State where the sins of the father are the sins of the sons to the seventh generation, and where there may be an attachment of earnings on future generations of MR GARY CADWALLADER.

20. MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has not disagreed by any means of communication or correspondence to stand as surety for a security by way of a lien for his criminal offences, which have been fully documented and declared by way of this affidavit. As a consequence of not disagreeing with this proposed remedy, MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has formally agreed to this remedy to stand as surety, and agrees to be a security by way of a lien, and once again stands in honour by his actions by accepting the proposed remedy in full knowledge and understanding, without coercion or deception, and without the threat of harm, loss, or injury.

To this effect, the following is now true and on and for the record that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has agreed to stand as surety and security by way of a lien to MRS YVONNE HOBBS as follows:

20. In accordance with the traditions of this land and as this is a lien then this will be published in all the necessary places.
21. Ignorance is no defence for committing criminal acts. Considering the position MR GARY CADWALLADER holds MR GARY CADWALLADER IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State should have shown more diligence and accountability in the office. It is our considered opinion, due to the severity of the most grievous agreed criminal offences, that MR GARY CADWALLADER IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State is no longer a fit and proper person to hold any trusted position in service in the office.
22. It can also be considered that since these most grievous agreed criminal offences have been committed in the office of Horwich Farrelly Limited Company/State which is detrimental to the function and the interests of Horwich Farrelly Limited Company/State and that MR GARY CADWALLADER IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State has acted in an ultra vires capacity, without the legal authority to do so, thus it can be concluded that MR GARY CADWALLADER (Claimant) in the position of Officer for Horwich Farrelly Limited Company/State could be held culpable for their actions as not in the best interests of Horwich Farrelly Limited Company/State.
23. Let it be known on and for the record that MR GARY CADWALLADER (Claimant) In the position of Officer for Horwich Farrelly Limited Company/State has chosen, of their own free will, to stand as surety for a security by the way of a lien to the amount of Eighty Five million pounds GBP (£85,000,000.00 GBP). From Exhibit (C) of this Affidavit, in the House of Ward Affidavit of Truth and Statement of Fact, which is on and for the record, it is noted that the legal tender or fiscal currency, which ever term is used, is representative of confidence, faith, and belief, so this surety for a security by way of a lien is equal to Eighty Five million pounds GBP (£85,000,000.00 GBP) of confidence, faith, and belief.
24. Let it be known on and for the record that confidence, faith, and belief are nothing of any material, physical, or tangible substance or evidence in fact.
25. Let it be known on and for the record that since MR GARY CADWALLADER (Claimant) in the position of Officer for Horwich Farrelly Limited Company/State has agreed to this remedy of his own free will, in full knowledge and understanding, without coercion or deception, and without threat of harm, loss, or injury; And that

where there is a claim made under an Act or

We would draw to the attention of MR GARY CADWALLADER (CLAIMANT) Exhibit (C) section 1 in this Affidavit where it has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA that the Judiciary is a sub office of a State/Company where the two stronger arms of the Company/State are the legislative and the Executive. Both offices being superior in status to the office of the Judiciary and HMCTS Company/State.

Halsbury's Administrative Law 2011 confirms that administrative law is (nothing more than) an arrangement (Formal agreement) between the Executive and the Judiciary (Rishi Sunak and CEO of HM Parliaments & Governments PLC and the sub office of the Judiciary (Lord Chief Justice)). And that the Law is absolutely clear on this subject. There is NO authority for administrative courts in this country, and NO Act (Or Statute) could be passed to legitimise them. Without the circa 64.1 million formally recognised on and for the public record signed and formally agreed consent of the governed to be governed.

Here is a link to the video, where there was a High Court Bailiff (Peter), eight police officers, and a sergeant at a house. The High Court Bailiff was a self-employed ex-serviceman agent for Marston Group Ltd, who declared that there were no goods to levy. There are no goods for sale at this house. The claimed warrant was invalid. Officers of the judiciary do not sign orders, as that would create a reverse liability upon them. Make no mistake, all of this is known and documented. An Englishman's home is his castle (see Exhibit (G) An Englishman's home is his Castle) Formally agreed foundation in Fact. This is a formally recognised act of War. The Police and the Judiciary formally have no valid authority without the valid material evidence that the governed have given their formal legal consent to be governed.

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, which is a known criminal offence that is chargeable.

It is therefore clear where MR GARY CADWALLADER (CLAIMANT) is the recognized claimant then MR GARY CADWALLADER (CLAIMANT) carries the obligation of claimant to present the valid material substance of any claim being made by MR GARY CADWALLADER (CLAIMANT). To this effect MR GARY CADWALLADER (CLAIMANT) carries obligations of service by way of making claims to the following effect:

1. Dear MR GARY CADWALLADER,

We have noted as of this day the 29 December 2022 that there has been no response to our previous correspondence of the 22 December 2022. In the interest of candour we extend the deadline by another seven (7) Days. In The interests Of clarity we repeat the same again here.

22 December 2022

Dear MR GARY CADWALLADER,

Thank you for your electronic mail of 22th December 2022 in response to our letter of 21th December 2022 in which we note "at this point that there are formal agreements to attend to which are agreed and chargeable." We have noted its contents and it will be kept on file pending future legal action..

1. We have noted that MR GARY CADWALLADER is the claimant.
2. We have noted that MR GARY CADWALLADER intitled Enforcement Fee Earner has been provided with three (3) letters requesting provision of the **material evidence** of authority over Our property required to rebut Our claims prior to our letter of 21th December 2022.
3. We have noted that MR GARY CADWALLADER claims that his utterings grant him authority and Our request he provide the **material evidence** of his authority are of naught.
4. We have noted that MR GARY CADWALLADER claims that not providing the **material evidence** requested to prove his claims of authority over Our property, equals no agreement or claim against him.
5. We have noted that MR GARY CADWALLADER claims there are facts of the case without providing the **material evidence** requested to prove his claims of authority over Our property or that the facts he claims to have authority over Our property is upon his say so.
6. We have noted that MR GARY CADWALLADER his utterings are authority and nullifies the four letters We sent.
7. We have noted that there is a claim of exemption from obligations under Companies Act including s.44 for MR GARY CADWALLADER whereby a Company/State officer may lawfully execute a document without Seal or wet ink signature and witness.
8. We have noted that there is a claim of exemption from obligations under the Fraud Act 2006 including part I, (1), (1.1a) for MR GARY CADWALLADER
9. We have noted that there is a claim of exemption from obligations under the Bills of Exchange Act 1882 for MR GARY CADWALLADER whereby without a wet ink signature, obligation, contract, agreement or bill, Our property can be taken and given away via an Officer for Horwich Farrelly Limited Company/State.
10. We have noted that there is a claim on 16th August 2022 MR GARY CADWALLADER signed an Application for Charging Order on Land as a Statement of Truth regarding the property of MRS YVONNE HOBBS.

Enclosed under this same cover:

Affidavit of truth and statement of Fact.

We would draw MR GARY CADWALLADER (CLAIMANT)'s attention to the enclosed under this same cover, the Affidavit of truth and statement of Fact which has been served upon all of the MP's of this land as of the 20th Day of February 2015 and which stands as agreed fact and foundation in agreed fact as of the 20th Day of March 2015 with all of the MP's of this land inclusive of the Secretary of State and the Secretary of the Crown. We would recommend that MR GARY CADWALLADER (CLAIMANT) pay close attention to the content

of this Affidavit of truth and statement of fact as referring to the content at length.

we will be

We would draw MR GARY CADWALLADER (CLAIMANT) attention to Exhibit (B) in this Affidavit which stands as confirmed and agreed Fact Case No WI-05257F David Ward V Warrington Borough Council on the 30th Day of May 2013 and we would note that the adjudicator Judge made a determination that the appellant Mr David Ward carries no liability to the PCN Charge Claim under the Traffic Management Act 2004 and that this was duly and formally signed as No Contest by officer of the State/Company in the Executive local Authority office of Warrington Borough Council by the name of Scott Clark.

WE would also draw under Exhibit (B) in the Affidavit of truth and statement of fact that there is presented as factual material evidence which has been recognized by due process at tribunal that where there is a claim made under an Act or Statute of Parliament by an officer of the State then the officer of the State carries an obligation to present as material evidence the circa 64.1 million signed and legally agreed on and for the public record, the legal consent that the governed have given their legal and agreed consent to be governed. Without which it can be noted that without this legal requirement being fulfilled then an organization or group of people could create any legislation, Act or Statute they wish and impose this by an act of force that legislation, Act or Statute by an act of force which is also an act of tyranny and an act of terrorism.

We would draw to the attention of MR GARY CADWALLADER (CLAIMANT) Exhibit (C) section 1 in this Affidavit where it has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA that the Judiciary is a sub office of a State/Company where the two stronger arms of the Company/State are the legislative and the Executive. Both offices being superior in status to the office of the Judiciary and HMCTS Company/State.

Halsbury's Administrative Law 2011 confirms that administrative law is (nothing more than) an arrangement (Formal agreement) between the Executive and the Judiciary (Rishi Sunak and CEO of HM Parliaments & Governments PLC and the sub office of the Judiciary (Lord Chief Justice)). And that the Law is absolutely clear on this subject. There is NO authority for administrative courts in this country, and NO Act (Or Statute) could be passed to legitimise them. Without the circa 64.1 million formally recognised on and for the public record signed and formally agreed consent of the governed to be governed.

Here is a link to the video, where there was a High Court Bailiff (Peter), eight police officers, and a sergeant at a house. The High Court Bailiff was a self-employed ex-serviceman agent for Marston Group Ltd, who declared that there were no goods to levy. There are no goods for sale at this house. The claimed warrant was invalid. Officers of the judiciary do not sign orders, as that would create a reverse liability upon them. Make no mistake, all of this is known and documented. An Englishman's home is his castle (see Exhibit (G) An Englishman's home is his Castle) Formally agreed foundation in Fact. This is a formally recognised act of War. The Police and the Judiciary formally have no valid authority without the valid material evidence that the governed have given their formal legal consent to be governed.

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, which is a known criminal offence that is chargeable.

It is therefore clear where MR GARY CADWALLADER (CLAIMANT) is the recognized claimant then MR GARY CADWALLADER (CLAIMANT) carries the obligation of claimant to present the valid material substance of any claim being made by MR GARY CADWALLADER (CLAIMANT). To this effect MR GARY CADWALLADER (CLAIMANT) carries obligations of service by way of making claims to the following effect:

1. There is a recognized formal obligation for MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State to present as valid material evidence that MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State by way of the presentment of a legally signed letter of assignment of power of attorney And/Or legally signed contract—MRS YVONNE HOBBS which must carry wet ink signatures—where there can be contractual legal obligations, agreements or liabilities between MRS YVONNE HOBBS and MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State.
2. In the interest of candour we extend the deadline by another seven (7) Days. In The interests Of clarity we repeat the same again here.

22 December 2022

Dear MR GARY CADWALLADER,

Thank you for your electronic mail of 22th December 2022 in response to our letter of 21th December 2022 in which we note "at this point that there are formal agreements to attend to which are agreed and chargeable." We have noted its contents and it will be kept on file pending future legal action..

1. We have noted that MR GARY CADWALLADER is the claimant.
2. We have noted that MR GARY CADWALLADER intitled Enforcement Fee Earner has been provided with three (3) letters requesting provision of the **material evidence** of authority over Our property required to rebut Our claims prior to our letter of 21th December 2022.
3. We have noted that MR GARY CADWALLADER claims that his utterings grant him authority and Our request he provide the **material evidence** of his authority are of naught.
4. We have noted that MR GARY CADWALLADER claims that not providing the **material evidence** requested to prove his claims of authority over Our property, equals no agreement or claim against him.
5. We have noted that MR GARY CADWALLADER claims there are facts of the case without providing the **material evidence** requested to prove his claims of authority over Our property or that the facts he claims to have authority over Our property is upon his say so.
6. We have noted that MR GARY CADWALLADER his utterings are authority and nullifies the four letters We sent.
7. We have noted that there is a claim of exemption from obligations under Companies Act including s.44 for MR GARY CADWALLADER whereby a Company/State officer may lawfully execute a document without Seal or wet ink signature and witness.
8. We have noted that there is a claim of exemption from obligations under the Fraud Act 2006 including part I, (1), (1.1a) for MR GARY CADWALLADER
9. We have noted that there is a claim of exemption from obligations under the Bills of Exchange Act 1882 for MR GARY CADWALLADER whereby without a wet ink signature, obligation, contract, agreement or bill, Our property can be taken and given away via an Officer for Horwich Farrelly Limited Company/State.
10. We have noted that there is a claim on 16th August 2022 MR GARY CADWALLADER signed an Application for Charging Order on Land as a Statement of Truth regarding the property of MRS YVONNE HOBBS.

Enclosed under this same cover:

Affidavit of truth and statement of Fact.

We would draw MR GARY CADWALLADER (CLAIMANT)'s attention to the enclosed under this same cover, the Affidavit of truth and statement of Fact which has been served upon all of the MP's of this land as of the 20th Day of February 2015 and which stands as agreed fact and foundation in agreed fact as of the 20th Day of March 2015 with all of the MP's of this land inclusive of the Secretary of State and the Secretary of the Crown. We would

recommend that MR GARY CADWALLADER pay close attention to the content of this be referring to the content at length.

(CLAIMANT)  
Affidavit of truth and statement of fact as we will

We would draw MR GARY CADWALLADER (CLAIMANT) attention to Exhibit (B) in this Affidavit which stands as confirmed and agreed Fact Case No WI-05257F David Ward V Warrington Borough Council on the 30th Day of May 2013 and we would note that the adjudicator Judge made a determination that the appellant Mr David Ward carries no liability to the PCN Charge Claim under the Traffic Management Act 2004 and that this was duly and formally signed as No Contest by officer of the State/Company in the Executive local Authority office of Warrington Borough Council by the name of Scott Clark.

WE would also draw under Exhibit (B) in the Affidavit of truth and statement of fact that there is presented as factual material evidence which has been recognized by due process at tribunal that where there is a claim made under an Act or Statute of Parliament by an officer of the State then the officer of the State carries an obligation to present as material evidence the circa 64.1 million signed and legally agreed on and for the public record, the legal consent that the governed have given their legal and agreed consent to be governed. Without which it can be noted that without this legal requirement being fulfilled then an organization or group of people could create any legislation, Act or Statute they wish and impose this by an act of force that legislation, Act or Statute by an act of force which is also an act of tyranny and an act of terrorism.

We would draw to the attention of MR GARY CADWALLADER (CLAIMANT) Exhibit (C) section 1 in this Affidavit where it has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA that the Judiciary is a sub office of a State/Company where the two stronger arms of the Company/State are the legislative and the Executive. Both offices being superior in status to the office of the Judiciary and HMCTS Company/State.

Halsbury's Administrative Law 2011 confirms that administrative law is (nothing more than) an arrangement (Formal agreement) between the Executive and the Judiciary (Rishi Sunak and CEO of HM Parliaments & Governments PLC and the sub office of the Judiciary (Lord Chief Justice)). And that the Law is absolutely clear on this subject. There is NO authority for administrative courts in this country, and NO Act (Or Statute) could be passed to legitimise them. Without the circa 64.1 million formally recognised on and for the public record signed and formally agreed consent of the governed to be governed.

Here is a link to the video, where there was a High Court Bailiff (Peter), eight police officers, and a sergeant at a house. The High Court Bailiff was a self-employed ex-serviceman agent for Marston Group Ltd, who declared that there were no goods to levy. There are no goods for sale at this house. The claimed warrant was invalid. Officers of the judiciary do not sign orders, as that would create a reverse liability upon them. Make no mistake, all of this is known and documented. An Englishman's home is his castle (see Exhibit (G) An Englishman's home is his Castle) Formally agreed foundation in Fact. This is a formally recognised act of War. The Police and the Judiciary formally have no valid authority without the valid material evidence that the governed have given their formal legal consent to be governed.

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, which is a known criminal offence that is chargeable.

It is therefore clear where MR GARY CADWALLADER (CLAIMANT) is the recognized claimant then MR GARY CADWALLADER (CLAIMANT) carries the obligation of claimant to present the valid material substance of any claim being made by MR GARY CADWALLADER (CLAIMANT). To this effect MR GARY CADWALLADER (CLAIMANT) carries obligations of service by way of making claims to the following effect:

Dear MR GARY CADWALLADER,

We have noted as of this day the 12 January 2023 that there has been no legal response to our previous correspondence dated the 22 December 2022, 29 December 2022 and 05 January 2023 respectively. There is now a formal agreement due to the absence of any valid material legal evidence.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You Officer MR GARY CADWALLADER have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

In the interests of candour and clarity:

It is a maxim of the rule of law that whomever brings a claim has the obligation to provide the material substance of that claim. else the claim is fraudulent in nature which is fraud by Misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act of force, a wilful and belligerent act of terrorism.

We note to MR GARY CADWALLADER (CLAIMANT) IN THE POSITION OF Officer for Horwich Farrelly Limited Company/State that the words obligation and liability do not and cannot exist outside of a formally, legally agreed contract and this fact has been formally agreed and placed on public record—the fact that Mr David Ward has no liability under the Traffic Management Act 2004 UK and the formal and legal signed declaration of NO CONTEST is definitive and absolute proof of this FACT.

Therefore:

1. We have noted that MR GARY CADWALLADER is the claimant.
2. We have noted that MR GARY CADWALLADER intitled Enforcement Fee Earner has been provided with three (3) letters requesting provision of the **material evidence** of authority over Our property required to rebut Our claims prior to our letter of 21th December 2022.
3. We have noted that MR GARY CADWALLADER claims that his utterings grant him authority and Our request he provide the **material evidence** of his authority are of naught.
4. We have noted that MR GARY CADWALLADER claims that not providing the **material evidence** requested to prove his claims of authority over Our property, equals no agreement or claim against him.
5. We have noted that MR GARY CADWALLADER claims there are facts of the case without providing the **material evidence** requested to prove his claims of authority over Our property or that the facts he claims to have authority over Our property is upon his say so.
6. We have noted noted that MR GARY CADWALLADER his utterings are authority and nullifies the four letters We sent.
7. We have noted that there is a claim of exemption from obligations under Companies Act including s.44 for MR GARY CADWALLADER whereby a Company/State officer may lawfully execute a document without Seal or wet ink signature and witness.
8. We have noted that there is a claim of exemption from obligations under the Fraud Act 2006 including part I, (1), (1.1a) for MR GARY CADWALLADER
9. We have noted that there is a claim of exemption from obligations under the Bills of Exchange Act 1882 for MR GARY CADWALLADER whereby without a wet ink signature, obligation, contract, agreement or bill, Our property can be taken and given away via an Officer for Horwich Farrelly Limited Company/State.

MR GARY CADWALLADER therefore has an obligation of SERVICE in the position of Officer for Horwich Farrelly Limited Company/State to provide the valid, presentable, material evidence to support this claim that there is a Charge order number together with the account details and ledger entries that describe the goods or services supplied to raise a Charge order and that MRS YVONNE HOBBS has an obligation to pay without a wet ink signed contract between MRS YVONNE HOBBS and MR GARY CADWALLADER.

These are very serious crimes MR GARY CADWALLADER and under current state legislation there is a cumulative period of incarceration in excess of 50 years' incarceration. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. There is however an alternative and recognised process as suitable remedy.

As there is now an agreement between the parties by way of lasting tacit agreement through acquiescence, as you have already agreed to the crime then we elect to charge you under this agreement. As the crime was committed against Us then we reserve the right to choose the remedy for these crimes.

Where there is a crime then there is a requirement for a remedy otherwise the crime goes unresolved. As we now have an obligation to bring this crime to resolution we therefore are giving MR GARY CADWALLADER an opportunity to resolve.

This may be viewed to be an excessive action to take as a remedy but we bring your attention back to the affidavit Exhibit (F) No Body gets Paid. The Bank of England note GBP is based upon confidence and Belief where belief is a concept in the abstract which is of no material substance. So is this an excessive action where there is no monetary value.  
<http://bit.ly/1WV48P>

No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It could be said that to take this action is to destabilise the economy. WHAT economy. That was done generations ago when the government licensed fraudulent Banking Practice by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing.

We did ask ourselves "Are we committing Fraud" Our response to this was. Is there full disclosure? YES is there an agreement between the parties as a result of that disclosure? YES "Is there any injury loss or harm?" NO. Then there is no fraud?

Are we destabilising Government? Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit
